A close-up photograph of vibrant green leaves, likely from a plant like a succulent or a similar species, covered in numerous clear, glistening water droplets. The lighting is soft, highlighting the texture of the leaves and the spherical shape of the droplets. The background is a deep, dark green, making the lighter green leaves and white text stand out.

## **THE POWER OF HOPE IN HEALING**

The **SPIRITUALITY** pillar encompasses the Signature Chaplain Corps. It is a company cornerstone where Chaplains serve with hope and humility, striving to meet patients, employees and family members where they are, at the point of their very need.

## **MAKING A DIFFERENCE**

The **INNOVATION** pillar was founded on the notion that great ideas can come from anywhere. Signature HealthCARE encourages stakeholders at all levels of the organization to be vocal about their ideas to improve the lives of patients and clients.
